The Multi-Age Class

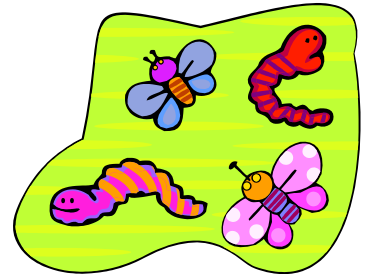

Now that we've returned from Spring Break it is April, hopefully some of our chicks have hatched. It's also time to get ready for Easter and our Easter Egg Hunt and Party. After that, we'll learn about caterpillars, bugs and butterflies and how they all change from babies to grown up bugs and then wind and bubbles. From the Bible we will learn about why Jesus died on the cross, then we come back after Easter and hear about Jesus being Alive again. We'll also learn about Him going back to Heaven and the very special helper He sent for us. It's another busy month!

The Green Pre-K Class

It's April already, Spring Break is over and we still have so much to learn. We hope that we will now see the exciting miracle of chicks hatching from eggs. We'll have our Easter Egg Hunt and Party and after Easter we'll learn about how caterpillars change into butterflies and a new word, metamorphosis. We'll even watch as our own caterpillars grow and change. Then we'll learn about wind and bubbles. Our Bible stories will teach us about Jesus dying on the cross, the exciting news of Jesus' RESURRECTION from the grave, on Easter Morning, his ascension to heaven and Pentecost, when the Holy Spirit came to be our helper. April is the coolest month this year!

KINDERGARTEN REGISTRATION

Brevard County elementary schools will begin early registration for Kindergarten for the 2011/2012 school year soon. I will be sending home kindergarten registration info soon. Some of our Pre-K children have already completed their vaccinations and have new physical forms. Please see Miss Bev if you would like copies.

PARENT SURVEYS

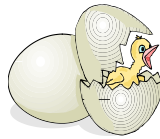

Evaluations are a wonderful way for you to share information with us. I will be sending home Parent Evaluations of our Program for you to fill out and return, with the weekly notes this week. Please fill them out and get them back to me as soon as possible. Your in-put means a lot to the Preschool Board, the teachers and me. Ideas and information from parents in the past have helped us form policies and shaped our preschool into the preschool that it is today. Remember, all of our current teachers were once parents of Peace Lutheran Preschool children. Thank you in advance for your help!

2011/2012 REGISTRATION

Registration for our fall classes, including VPK Pre-K students, has begun. Remember, this is first come first served at this time and early registration guarantees your child has a spot for next year. Registration fees for our younger classes go up to \$75.00 on April 30th. Information Packets have been sent home, but we have more available if you need them. For those of you not returning next year, please share this information with friends and family. Word of mouth is still our best means of advertising.

EGGS & CHICKS

We are hoping that our chicks have begun hatching as of this time. As eggs begin hatching each class will get an opportunity to watch. The hatched chicks will be put in a warmer so that the children can see them. This is an exciting time for us all. The approximate "due" date was around April 1st. The chicks that hatch will be going back to the farm that we got the eggs from.

CATERPILLARS & BUTTERFLIES

Another part of our Spring experience is watching live caterpillars grow, form their chrysalis, emerge as butterflies and then fly off to find a new home. We will start this cool science experience when we come back from our Easter Holiday. Please come into class with your child so that you can watch and take part in this process together. The children each get to name his or her own caterpillar. We've had some really unique names over the years.

PARENT CONFERENCES

Parent Conferences will be scheduled to review your child's end of the year progress reports during the first week of May. Please watch for the sign-up sheets to go up on the doors the middle of April.

*IMPORTANT REMINDER!!!

SPRING PROGRAM & PRE-K GRADUATION

Please note! Friday, May 11th at 6:30pm is our Spring Program and Pre-K Graduation. It will be followed with Refreshments afterward in the Fellowship Hall. All children will have a part in the musical portion of our program and all VPK children will be receiving a diploma. Please let us know in advance if your child will not be attending. Please remember also that all family members are invited. We love to show off the talents of our budding actors and actresses.

****THE LAST DAY OF SCHOOL IS THURSDAY, MAY 17TH.
ALL VPK CHILDREN MUST ATTEND THAT DAY FOR IT TO BE
PAID FOR BY THE STATE. THANKS!**

NEWS FROM THE DIRECTOR

Easter is a special time for me and my family. I enjoy the time spent at church and with my family. If your family has a church home, I hope you enjoy your Easter services. If your family doesn't have a church home, please join us here at Peace on Easter morning. We would love to share the wonderful message and celebration of Christ's Resurrection with you.

As we start to gear up for the end of the school year, remember to put our graduation program on your calendars, Friday, May 11th, 6:30PM. Please invite any and all family members who can attend. The more, the merrier.

Miss Bev
